# Practical Session Agenda

**Our tutorial will start five minutes past the hour.**

- Please be on time, as there is another session booked in this lab right after ours.

## **Participation Sheet**

- Please sign your name and student number.

**We will review the practical content posted on Quercus each week.**

- If you have any questions about the content, please hold them until the end of the review.

**Assignments will not be covered during tutorial time.**

- Questions regarding assignments should be asked during office hours.
- The assignments are meant for you to explore on your own, and not everything will be covered in the tutorial.
